Mrs Pace

Mrs Aitkens

Mrs Kempson

These are our Early Years' teachers

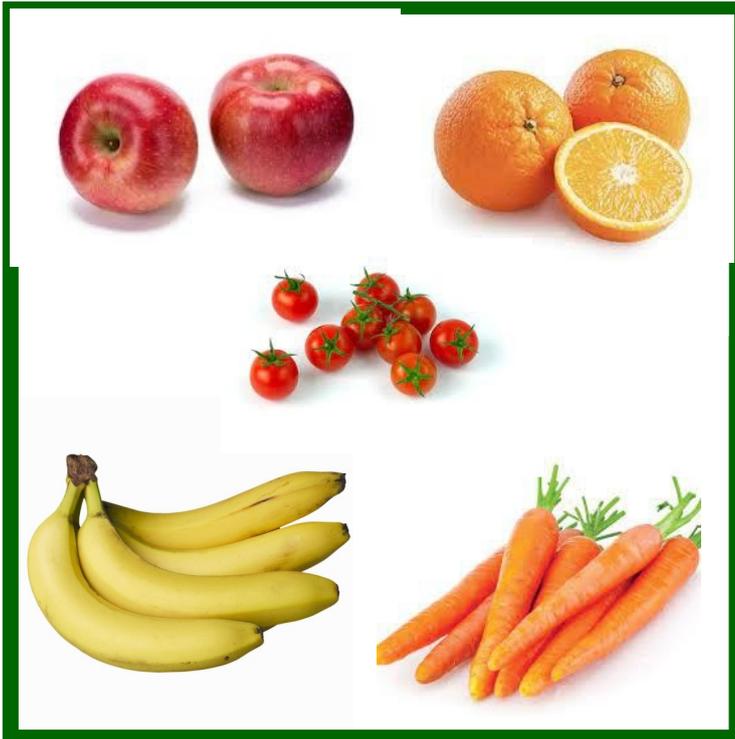

Some children come to school by car and lots of boys and girls walk. It is good exercise to walk.

You will get your own peg with your name and picture on.

You will have a tray with your name on, to put your things in.

You will sit and have snack with your class and talk about lots of fun things. You can choose to have water or milk at snack time.

At lunchtime you will get your lunch and the lunch-time supervisors will look after you. You will learn to carry your tray carefully to the table and learn to cut up your food.

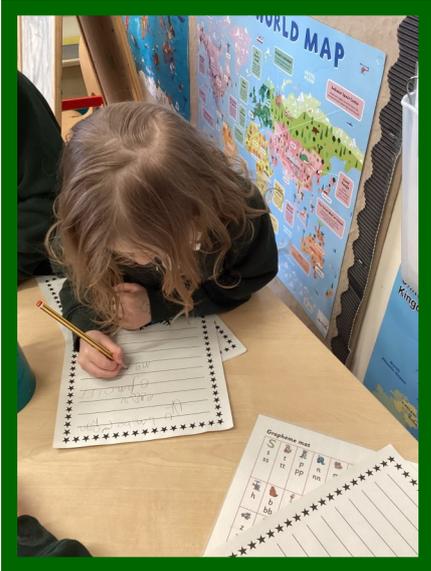

We really enjoy listening to stories and sometimes you get to act them out.

At school you will learn how to write. You will do it in lots of different ways.

You will learn how to read and share lots of stories in your class. You will have your own book bag which will come to school everyday.

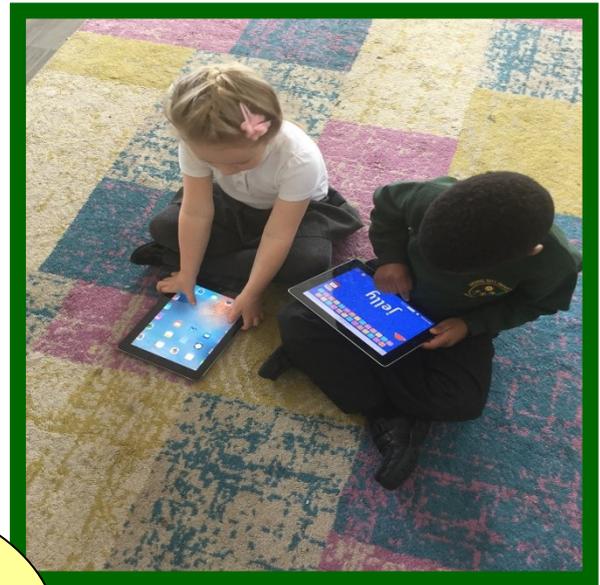

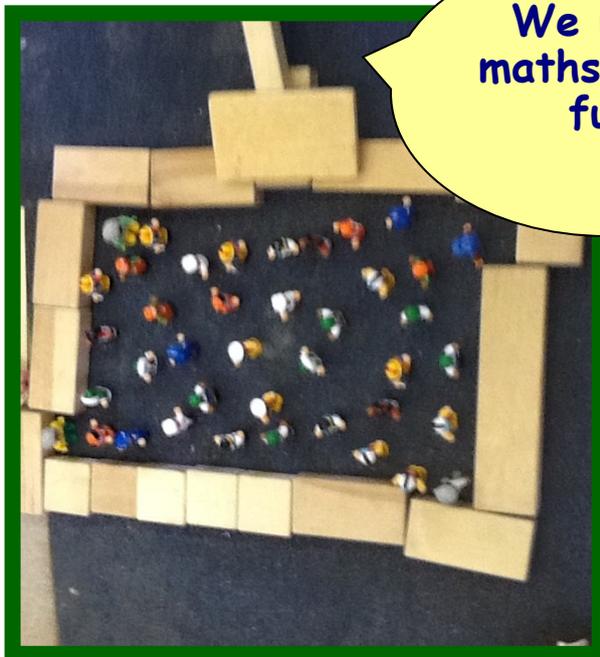

You will get to use different equipment in PE. You will wear a white T-shirt, green or black shorts and bare feet when you are in the hall. Sometimes we do PE outside too.

We have Interactive whiteboards in our classroom and our school has a set of ipads you can use.

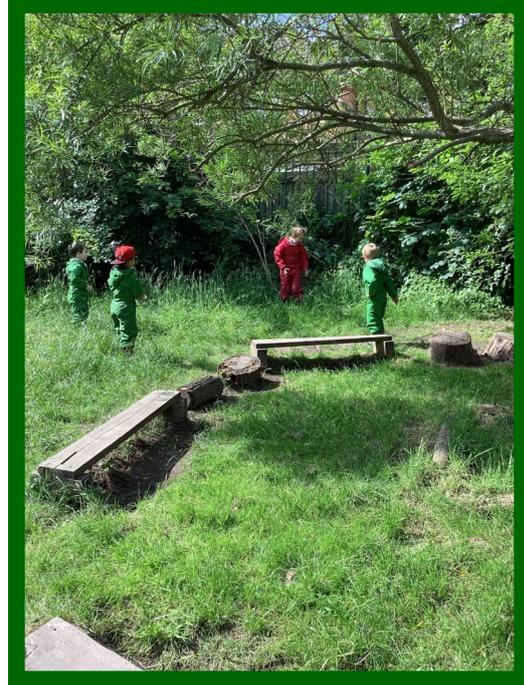

We make maths really fun!

How many footballers can you see on the pitch?

You will get the chance to work with different teachers during the week.

You will also learn to work on your own or in a group without a teacher.

Team work is really important in our school.

We have Harry the tortoise in our school. You will learn how to look after him and how we take care of him.

We look forward to our visit from the animal lady who brings us impressive and exciting creatures each year to see.

Going outside with your friends is always very exciting as there is so much to do and so much space!

Learning outside is exciting!

You will be able to make lots of things.

You will get to visit the farm with your class.

Your parents get to come and play on special days.

We can't wait to see you soon.

Can you draw us a picture and bring it with you
on your first day?
