This week's 'Congratulations' go to...

Ash Class – Keanu, you took such care when sketching this week. You added lots of detail using your pencil and really focussed on your task.

Elm Class – Kai, you were absolutely fantastic in PE this week and travelled through a hoop in different ways. You have a natural flare for sport. Well done.

Oak Class – Lucas, you try your very best to complete all of our writing table challenges and when practising our new writing patterns. Thank you.

Holly Class – Ella, for impressing us with your Maths this week. You were able to write number sentences using the plus and equal to symbol. You were resilient when you made mistakes and didn't give up. We are proud of you.

Hazel Class – Charlie for amazing writing this week. You thought carefully about what you wanted to write and remembered to use capital letters and full stops. Well done.

Willow Class – Betsie, for your love of reading. It is lovely to see you enjoying a range of books at school and at home. Your enthusiasm and passion to get stuck into any book is wonderful. Well done.

Chestnut Class – Daniel is being celebrated because we've seen him really come out of his shell, building lovely relationships with his friends and teachers. He's shown incredible resilience and is gaining the confidence to ask for help when he needs it. So many teachers have noticed how much his confidence has grown, and we are all so proud of him. Keep shining.

Hawthorn Class – John, you have contributed so well to lessons this term. You are always engaged and try your best to complete your work. During English, you have thought of some fascinating adjectives to up level your work.

Sycamore Class - Zara-Leigh, you are quietly working hard in everything we do at school. We are especially proud of how your writing is improving—it won't be long until you get the pencil.
