You may have seen in the news that since Covid-19 school children's attendance at school has dropped nationally and there is an ongoing initiative to ensure children attend school every day. **Good attendance supports children's achievements and self-confidence and therefore their life chances.** It is a parent's legal duty to ensure their child attends regularly. School sends out individual **attendance updates** every half term and **Parent Consultations** are an opportunity to discuss any barriers and support school can offer. Thank you for working with us.
