## Safer Internet Day 2025

We have been learning about e-safety. Miss Baggus, our Computing Subject leader lead an assembly and a discussion with the children about how to be safe online.

The key messages are:-

-Always ask an adult before you go online

-If you see something that worries you or makes you feel uncomfortable tell an adult immediately

This year's focus is 'Too Good to be True??' focusing specifically on whether information online is true or fake.

Please check Tapestry and the Half Term Challenge for resources and ways to follow up these messages at home.

## Looking after our School Community

In assembly we have been learning about caring for our environment and about where all the rubbish we produce ends up.

We have been doing regular litter picks at lunchtime and would like to politely draw your attention to the following:

Lots of the rubbish we collect in our litter picks is from sweets and treat wrappers which are not part of our school day. Please could you ensure wrappers are not discarded in the playground and are either taken home or put into one of the 'frog' bins on the school site.

**No excuses**  
Don't drop litter

Use the bins provided  
(Have bins full find another with space or take your rubbish home)

Also, we are very fortunate that the landlady at The Coppice public house allows families to

park on the pub carpark to collect and drop off children. Please can we also be careful not to drop rubbish in the pub carpark as there is increasingly litter visible on the ground.

## World Book Day—Thursday 6th March
