Carfest 2025

Year One children held our annual Carfest in the school playground to support their learning. A fantastic community effort resulted in several Austin Rover cars (manufactured down the road at Longbridge, at what is now the MG Factory). The extremely loud racing car was very popular, as was the police car and a silent, electric car. The other year groups were very excited to join the Carfest and learn about the different types of vehicles—Year one will be designing and making their own moving vehicle over the next few weeks. Watch this space!

School Council- voting took place this week and we are pleased to announce our new School Council:-

Yr 1 representatives are Persephone, Lyla and Nadvith .
Yr 2 Representatives are Sophia, Harper W, Jasper, Aurelia and Eleanor.

The first meeting was held today and the key priorities were decided—litter around the site, playground enhancements and supporting lunchtime play.

Thank you to all our nominees, it was a very close result!
