**Class Assemblies**— thank you to Elm Class and Hazel Class who got our Class Assemblies off to a great start. They take place on Wednesday, at either 9am or 2.30pm. All the Class Assembly dates and times can be found in the 'Diary Dates' below. We invite family and friends of each class to join us to celebrate children's learning and to share in your child's progress. These assemblies are important opportunities for our young children to practise their oracy skills and to challenge themselves to have the confidence to speak in front of an audience. **PLEASE JOIN US**

## World Book Day 2025

Thank you for all your support in making World Book Day such a success. We started the day with a Masked Reader Assembly in which the children

had to guess the staff member behind the mask. The children were buzzing with excitement and enjoyed a Literature-rich day filled with stories, books and lots of fun. The children looked great in their costumes and pjs and talked animatedly about their favourite characters and books.

**Elm Class — Evelina**, you are a fantastic role model in Elm Class. You have a great attitude towards your learning, you always challenge yourself and you are a kind friend. Thank you.

**Oak Class — Chrissy**, for the effort and resilience you have shown when learning to write your own name and when writing words more independently. We are very proud of you.

**Holly Class — Connie**—for your resilience in writing this week. You have written an amazing fact file all about transport. You have been working hard to improve your presentation and have been practicing forming all letters correctly. Well done.

**Hazel Class — Nevaeh**, you have been a wonderful mathematician this week. You were able to solve tricky tens and ones problems and you explained your answers carefully. Keep believing in yourself, you CAN do it.

**Chestnut Class — George**, you've shown amazing resilience when you lost your tooth and have come in every day with a beaming smile. On top of that, you've been a kind friend by letting an adult know if someone is upset. We're so proud of you—keep shining.

**Hawthorn Class — Kai**, you have been making good choice both inside and outside the classroom. This week you have been trying hard in all of your lessons and producing some fantastic work. Keep up the great effort. We are so proud of you.
