Supporting your child's learning at home

Just a gentle reminder to check out our **Weekend Challenges**. Children take home paper copy on Fridays and a digital version is uploaded to Tapestry. Every completed challenge earns your child a raffle ticket towards our half termly prize draw.

Research shows that **reading**, whether it is listening to your child read, reading to your child or simply sharing a book together, has a real impact on children's progress across the whole curriculum. Little and often is what is recommended so keep up those bedtime stories!

Red Nose Day

Thank you for your support for this very worthwhile cause. We will let you know next week how much we have raised for Comic Relief.

This week's 'Congratulations' go to...

Ash Class – Rueben, you had such fun during our visit from the Animal Lady. You listened so carefully to Laura and took care to handle all of the animals safely. Well done.

Elm Class – Lincoln, you have been a superstar this week in phonics. You have learnt lots of sounds and are using them when reading words. We are so proud of you.

Oak Class – Kylo, for your hard work and focus during our independent 'teacher learning' challenges. We were so impressed with your playdough spring flower. Well done Kylo.

Holly Class – Willow RW, for your excellent attitude towards all learning. You try your hardest in everything you do and always have a positive attitude towards your work. You are a superstar, well done.

Hazel Class – Louie, for a fantastic learning attitude this week. You have been engaged, followed instructions and were ready to learn in all of your lessons. Keep it up.

Willow Class – Charlie T, you have worked hard in Maths this week. You carefully measured different objects using cubes. You tried hard to use the language to describe height and length. It is lovely to see you shine in Maths.

Hawthorn Class – Olivia, you have worked well in maths this week. You have listened well on the carpet and also applied your new skills confidently in independent tasks. You have been helping others along the way, showing kindness and teamwork. Keep up the fantastic work.

Chestnut Class – Maisie, you are so reliable with your classroom job, playing an important role in keeping Chestnut Class safe and cared for on the playground. In the classroom, your eagerness to learn and willingness to share your ideas make you a fantastic member of our class. Keep up the amazing work.

Sycamore Class – Noah, you are consistently showing determination and resilience in everything you do. I especially liked the effort you put into your story writing this week.

Well done everyone!
