Year One families are invited to join us on Tuesday 8th April in the hall to share in the children's 'Car Showcase'. This is the finale to their learning on the history of transport and car manufacturing in our local area. Come and help your child test out their design and consider what modifications they would make to their design to improve it further.

Reminder—our annual *Eggstravaganza* will be held on Thursday 10th April in the school hall. Please see last week's Newsletter for timings at the end of the day. Decorated Easter bonnets, eggs and Easter designs can be brought in from Monday 7th April.

This week's 'Congratulations' go to...

Ash Class — Leila, you always remember to use your manners in school. You are polite to everyone that you talk to and your teachers notice this.

Elm Class — Evelyn, you have been a lovely, kind and caring friend this week. If anyone needs help, you are always there to help them. Thank you.

Oak Class — Wolf, for your great imagination when being creative and using your own ideas. The children in Oak Class loved the badges that you made for them.

Holly Class — Bella M, for your excellent science this week. You learnt about which animals are herbivores and the features that they have. We were impressed with how you could compare this to carnivores. Well done, Bella.

Hazel Class — Jason, for being an amazing member of Hazel Class. You are a role model and are always eager to help your friends and teachers. We are very lucky to have you as part of our class.

Willow Class — Elsie, for your enthusiasm for our London topic. You articulated yourself beautifully and had some lovely ideas about transport in London. You clearly explained why London needs the underground and why it is the quickest way to travel. Keep up the hard work.

Hawthorn Class — Billie-Anne, this week you have shown enthusiasm and determination when rehearsing for our class assembly. You remembered your lines and spoke loud and clearly. You were confident throughout. I am proud of you.

Chestnut Class — Bellatrix, you've done some amazing writing this week, really impressing me with your narrative. On top of that you were a STAR in our class assembly, projecting your voice so everyone could hear. Keep shining.

Sycamore Class — Asher, you have shown great maturity and responsibility both inside and outside of school. I was really impressed by your litter picking in your local area.

Well done everyone!

HAPPY BIRTHDAY!
