School Council Update

School Council have met 3 times this half term.

We have carried out a litter pick around the perimeters of our school

and shared clear messages about looking after our school environment in an assembly.

We have also designed and created several joint posters aimed at encouraging everyone to keep our school community litter free.

We feel we are now a proper team who can share ideas, listen to other people's opinions and decide jointly on our next project.

Happy Retirement to Mrs Brooke

After nearly 30 years at Rednal Hill Infant School Mrs Brooke, our much loved School Business Manager and member of our leadership team, is retiring to spend more time with her family and especially her 3 young grandchildren. We are very grateful for her long term commitment to our school and all her hard work.

This week's 'Congratulations' go to...

Ash Class – Harper, you have been spending lots of time in our workshop area. You designed a great walkie-talkie. You took care to attach your boxes, prepared them for painting and add the final details.

Elm Class – Rogan, you have been super resilient this week and tried hard in all that you have done. Keep it up.

Oak Class – Alyssa, for actively joining in with our phonics sessions and for your great reading at home. You should be very proud of the progress you are making.

Holly Class – Cillian, for your enthusiasm in PE this week. You were excellent when throwing different PE resources, using a leading arm to direct your throw. We were impressed with the distance of your throws, well done.

Hazel Class – Elijah, you were a wonderful team player in PE this week. You were able to encourage your team to try their best. It was lovely to see your positive attitude! Well done.

Willow Class – James, you created a fantastic police car in DT. You worked carefully at each stage and thought about every detail you could add. We love the finished design.

Hawthorn Class – Jaxon, you have worked hard this week in your maths lessons. You have used your fluency strategies to help you solve maths problems. Keep up the good work.

Chestnut Class – Eden, this week, you did a fabulous retelling of the Grace Darling rescue, and we were so impressed with how you listened to feedback and used it to improve your writing. Your hard work and determination really paid off.

Sycamore Class – Mollie, in your Maths lessons you are concentrating and working really hard. We are impressed by your resilience. Keep it up.

Well done everyone!
