Thank you to everyone for this great effort.

## This week's 'Congratulations' go to...

Teachers in Reception would like to recognise all of our new starters this week. They have been so smart in their uniform and settled so well. We are proud of each and every one of them!

**Holly Class** — **Kylo**, you tried really hard to make a spiral snake this week. He persevered even when he found the colouring and cutting a bit tricky. He was really proud of himself when he finally finished it. Well done.

**Hazel Class** — **Parker-Jay**, for settling into Hazel Class so well and always looking after his new friends and teachers.

**Willow Class** — **Nova**, you have had a wonderful start to Year 1. Your enthusiasm for Science has been lovely to see. You even continued your learning at home, drawing and labelling the human body. Keep it up.

**Chestnut Class** — **Cillian**, for your excellent maths this week. You have been partitioning numbers into tens and ones using dienes to help you. You worked independently and didn't give up, well done.

**Hawthorn Class** — **Ahmad**, for how you have started year 2. You are showing your confidence by having your hand up and sharing your ideas, especially in Maths. We are really proud of you.

**Sycamore Class** — **Halia**, for being resilient during the times she has found the start to Year 2 a bit tricky.

HAPPY BIRTHDAY!
