Model Rednal

Year One proved to be excellent guides when they showed their family and friends around the finale to their work on 'Our Local Area'. By recreating Rednal in the hall using every child's detailed and unique junk model houses children were able to demonstrate their creative skills as well as their geographical knowledge of where they live. A valuable and enjoyable event!

New crossing on Edgewood Road— we have received complaints about cars parking too close/on the crossing itself. Please park considerately to ensure the crossing is visible to other motorists and pedestrians can cross safely

This week's 'Congratulations' go to...

Ash Class— Arthur, you have amazed us with your speedy sound recognition and your determination to write your letters correctly. You watch your teachers so closely to see which direction they go before having a go yourself.

Elm Class— Mia J, you have been a fantastic role model in Elm class this week. You have been a good friend to everyone and always try your best with everything you do. Thank you

Oak Class -Dexter, for trying so hard with your phonics and to make your letters smaller in your handwriting. You have shown great listening skills and resilience.

Holly Class — Lucas, for an amazing recount of our walk around our local area. You thought carefully about what you wanted to write and you made sure it was sequenced correctly. Well done.

Hazel Class – Parker-Jay, for your fantastic progress in phonics. You are practicing everyday now, willingly and making us very proud—well done.

Willow Class — Skye, for creating an effective piece of artwork using the skill of stippling. You carefully used a fine pen to create lots of small dots. You added more dots to show the contrast between light and dark.

Chestnut Class — Isabella B, for your wonderful writing this week. You used some lovely sentence openers to write the beginning of a diary. We are very impressed with your determination.

Hawthorn Class – Aiden, for your excellent attitude and effort towards all of your learning. You listen to advice and are always keen to improve. What a superstar.

Sycamore Class - Frankie, you have shown some amazing Mathematical skills this week. Even when we did some challenging missing number sums you understood what to do. We are proud of you.

Well Done Everyone!
