DRIVE SLOWLY

SCHOOL CHILDREN

We continue to receive complaints from neighbours and parents about cars being driven too fast near our school and of inconsiderate parking.

PLEASE drive slowly and carefully at busy drop off and pick up times. Congestion is inevitable and parking is always limited. The only real solution is to allow more time for your journey, park a little further away from school and walk the last bit and always remember that everyone is trying to do the same thing, at the same time. As the weather improves we hope more families will walk to and from school which eases traffic around the site.

We have been informed of an incident (the second in a few weeks) where a parents' car was damaged by another driver who failed to stop. Witnesses

describe the vehicle as a metallic, dark blue Ford Transit van registration starting with DE56.

If anyone has any information please speak to the school office.

The owners will need to make an insurance claim in order to repair their vehicle.

CAUTION!
