Y2– over the next few weeks Year Two children will be involved in quizzes (SATS) which aim to give them an opportunity to show what they have learned. These quizzes are done in a supportive, low key way and contribute towards teacher end of year assessment. There is no need to do any additional work at home, but completing Tapestry Challenges and ensuring your child is in school, on time, every day is greatly appreciated.

Mental Health
Ask your child about the ‘envelopes’ Mrs Goodwin has sent their class this week and the ways they have learned to calm themselves and regulate their breathing.

Nag on The RAG– scooters and bikes on the playground

We appreciate that lots of children enjoy riding their scooters or bikes to school, especially in the summer months. Please can we ask that they get off and walk them once in the playground. Although one or two riding around may seem to pose no problem, we have at times ended up with multiple children whizzing around and even some junior children or teenagers who then decide to cut through our site. Therefore, it seems fair to have one rule for all. Thank you for your support.

This week’s ‘Congratulations’ go to...
