Fundraising Success- thank you!

Thanks to all of you who have supported our fundraising over the past two years we now have a large 'tipi' on our playground which will provide both shade and shelter for children and also adults collecting at the end of the day.

We are planning for a similar structure on the other side of the playground, outside Sycamore and Chestnut Class.

Please ensure children do not climb or pull on the guide ropes- thank you

Phonics provides children with a system to learn the sounds and letter patterns which they need to 'decode' reading.

Reading regularly at home with your child supports the development of reading fluency. If you would like to learn how to support your child with phonics please click on, or search on the internet:-

Phonics

Half-termly attendance slips have gone out to all families this week. Please note that school cannot authorise leave in termtime other than in extreme

situations. Under BCC Attendance Policy fines may be issued. We want children in school, on time, everyday so that they can access the whole curriculum and reach their individual academic potential.
