

The Rednal Rag

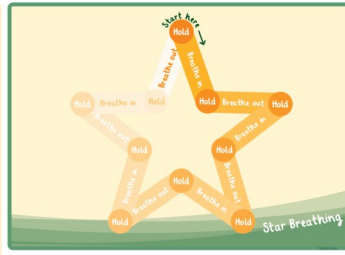

REDNAL HILL INFANT SCHOOL
Number 32 – 5th June 2026

Next week Lunch Menu
Week 2
(see website for menus)

We have been learning strategies to help us feel calm, focussed and ready to learn. We know that concentrating on our breathing can help us if we are feeling worried or angry. Ask your child to show you some of the breathing techniques we have been practising over the past few weeks.

The Reception cake sale raised £224.67. The children will now choose the musical instruments they voted to raise money for. Thank you for supporting them!

Following recent tragic stories in the news parents may wish to update themselves on water safety:-

RNLI Float to Live campaign 2026

The charity's advice for anyone struggling in the water is 'Float to Live':

- Tilt your head back, with your ears submerged
- Relax and try to breathe normally
- Move your hands and feet to help you stay afloat
- It's fine if your legs sink, we all float differently
- Practise floating in a local pool if you can. <https://rnli.org/news-and-media>

Polite reminder-
Please ensure your child has dark shoes or trainers

- Friday 17th July—Break up for Summer Holidays

This week's 'Congratulations' go to...

- Ash Class— Lacey**, we are so proud of how you have come back to school after the holiday ready to learn. You have been particularly focused in phonics. Keep up the hard work.
- Elm Class— Heidi**, you have amazed us with your phonics and reading this week. It's such a pleasure to hear you chunking up longer words and recognising so many tricky words by sight. Well done.
- Oak Class— Leo**, you have been working hard to write more independently and for different purposes. It has been lovely to see your enthusiasm for making your own comics and writing stories.
- Holly Class —Caleb**, you persevered when using the playdough to practise joins. You didn't give up when you found it tricky and you created lovely animal statues.
- Willow Class — Finley**, for your enthusiasm in writing this week. We were very impressed when reading your character profile about Rocket. You used adjectives to extend your sentences and gave reasons for your ideas
- Chestnut Class — Marleigh**, for your hard work in science this week. You carefully drew and labelled the life cycle of a butterfly and could talk about how they grow and change. Well done.
- Hawthorn Class— William**, for your super comprehension skills during our reading quizzes this week. You showed great resilience to answer ever question and used lots of strategies to help you. Well done.
- Sycamore Class - Theo**, you are always willing to do jobs in class, thank you for being so helpful.

HAPPY BIRTHDAY!
5th June 2026 to 11th June 2026

Alaya in Little Acorns will be 4
Archie in Willow will be 6

Finley in Oak will be 5
Colt in Sycamore will be 7
