KS1 SCIENCE WEEK 21ST SEPTEMBER

During the week KS1 children will be focussing on practical investigations in science. As part of this work we would invite parents to support their children to make, at home, a structure that floats on water (Reception families are very welcome to join in our challenge). On **Friday 25th September** the children will be given the opportunity to test their "boats" together and discuss successful designs with their friends.

GOOD LUCK

EXCITING NEWS VISITING ATHLETE IN SCHOOL!

On Monday 28th September Sarah Holt, hammer thrower and potential competitor at the Rio Olympic Games 2016 will be visiting our school and talking to the children about her career and what inspired her to take up sport.
