

	Nursey - Early Years Framework	Reception	Year 1	Year 2
Autumn 1 Being Me in My World	Become more outgoing with unfamiliar people Play with one or more other children Increasingly follow rules	In this Puzzle (unit), the children learn about how they have similarities and differences from their friends and how that is OK. They begin by working on recognising and managing and naming their feelings. The children learn about working with others and why it is good to be kind and use gentle hands. They discuss children's rights, especially linked to the right to learn and the right to play. The children learn what it means to be responsible. I understand that people are similar and different • I am beginning to recognise and talk about different feelings • I understand that my classroom is a place where we learn and play together • I know that working together helps make school a good place to be • I understand why kindness matters and how it affects others • I know what using gentle hands looks like • I know that everyone has the right to learn and play • I understand what being responsible means • I know how we look after our classroom and resources	In this Puzzle, children are introduced to their Jigsaw Journals and explore what helps them feel special, safe and calm in their class. They learn what it means to belong and understand their rights and responsibilities as class members. Children think about welcoming others, keeping their classroom safe for learning, and how their views are valued when contributing to the whole-school Learning Charter. They explore feelings linked to rewards and pride, reflect on their choices, and recognise emotions that can arise from consequences. By the end of the Puzzle, children understand their role in creating a positive, respectful and safe school community, with the Learning Charter as the shared outcome. • I know how to use my Jigsaw Journal • I understand the rights and responsibilities as a member of my class • I understand the rights and responsibilities for being a member of my class • I know my views are valued and can contribute to the Learning Charter	In this Puzzle, children reflect on their hopes and fears for the year and learn how to recognise feelings of worry and seek help. They explore belonging in their class] and school community, developing an understanding of rights and responsibilities and making positive contributions. Across the six Pieces, children discuss rewards and consequences, consider how choices affect themselves and others, and explore what makes a classroom safe and fair. Children then learn how the Learning Charter supports learning and boundaries. By the end of the Puzzle, children understand their role in creating a positive school community, with the whole-school Learning Charter as the shared outcome. I can identify some of my hopes and fears for this year • I know how to use my Jigsaw Journal • I understand the rights and responsibilities for being a member of my class and the importance of making contributions • I can listen to other people and contribute my own ideas about rewards and consequences

		• I can describe how they help everyone feel safe and able to learn	• I can recognise the choices I make and understand the consequences • I understand my rights and responsibilities within our Learning Charter	• I understand how following the Learning Charter will help me and others learn • I can recognise the choices I make and understand the consequences
Autumn 2 Celebrating Difference	Talk about their feelings Play with one or more other children Develop friendships	In this Puzzle (unit), children are encouraged to think about things that they are good at whilst understanding that everyone is good at different things. They discuss being different and how that makes everyone special but also recognise that we are the same in many ways. The children share their experiences of their homes and are asked to explain why it is special to them. They learn about friendship and how to be a kind friend and how to stand up for themselves if someone says or does something unkind to them. I know what being unique means • I can name and recognise some emotions • I understand why friends having is important • I can name qualities of a positive friendship • I know what being proud means, and that people can be proud of different things • I understand that people can be good at different things • I know all families are different • I know that everyone has different homes	In this Puzzle, children explore how people can be similar and different, reflecting on their own similarities and differences while learning to include others, use kind words and recognise what makes them special. They develop an understanding of what bullying is, how it can make people feel, and who they can talk to if they need help. Across the six Pieces, children practise making new friends, giving and receiving compliments, and showing courage by supporting others. They reflect on how differences should be respected and celebrated. • I can identify similarities between people in my class • I can identify differences between people in my class • I can tell you what bullying is • I know some people who I could talk to if I was feeling unhappy or being bullied • I know how to make new friends • I can tell you some ways I am different from my friends	In this Puzzle, children explore similarities and differences, learning how assumptions and stereotypes can form and why it is important to treat others with courtesy and respect. They develop an understanding of why bullying can happen, how it makes people feel, and how to seek help. Across the six Pieces, children practise standing up for themselves and others and solving problems kindly. They explore diversity in families, cultures and abilities, and reflect on what it means to belong and be a good friend. I am starting to understand that sometimes people make assumptions about boys and girls (stereotypes) • I understand that bullying is sometimes about difference • I can recognise what is right and wrong and know how to look after myself • I understand that it is OK to be different from other people and to be friends with them • I can tell you some ways I am different from my friends

Spring 1 <u>Dreams and Goals</u>	Play with increasing confidence on their own and with other children Develop friendships Begin to show ‘effort control’. For example, waiting for a turn and resisting impulse to grab or Talk about their feelings in more elaborated ways: “I’m sad because...” Develop sense of responsibility and membership of a community Become more outgoing with unfamiliar people, in the safe context of their setting.	In this Puzzle, the children consider challenges and facing up to them. They discuss not giving up and trying until they have achieved their goal. The children are encouraged to think about jobs that they might like to have when they are older and are taught to associate what they learn now with being able to have the job they want. They also talk about achieving goals and the feelings linked to this. <i>I know what a challenge is</i> • I understand that it is important to keep trying • I know what a goal is • I know how to set goals and work towards them • I can recognise words that are kind • I can name some jobs that I might like to do when I am older • I know that working hard helps me to be able to achieve the job I want when I am older • I know when I have achieved a goal	In this Puzzle, children explore what success means to them, learn how to set simple goals and recognise their own strengths. They practise breaking goals into steps, trying new challenges and understanding how learning can feel “stretchy”, with challenge as a sign our brains are growing. Across the six Pieces, children work with others, celebrate achievements and reflect on how perseverance and a positive attitude help them overcome obstacles. They talk about feelings linked to challenge and success and learn how to support friends in reaching their goals. • I can set simple goals • I can set a goal and work out how to achieve it • I understand how to work well with a partner • I can tackle a new challenge and understand this might stretch my learning • I can identify obstacles which make it more difficult to achieve my new challenge and can work out how to overcome them • I can tell you how I felt when I succeeded in a new challenge and how I celebrated it	In this Puzzle, children learn how to set realistic goals, recognise their strengths and reflect on achievements. They explore how healthy choices, motivation and perseverance help them succeed and consider how working with others can support learning. Across the six Pieces, children practise teamwork through group challenges, develop problem-solving skills and learn how relaxation and managing feelings can support wellbeing. They reflect on pride, courtesy and sharing success with others. • I can choose a realistic goal and think about how to achieve it • I know what I need to keep my body healthy • I can recognise who I work well with and who it is more difficult for me to work with • I can work well in a group to create an end-product • I can show or tell you what relaxed means and I know some things that make me feel relaxed and some that make me feel stressed - I know how to share success with other people
Spring 2 <u>Healthy Me</u>	Select and use activities and resources, with help when needed. This helps them to achieve a goal they have chosen or one, which is suggested to them.	In this Puzzle, children learn about their bodies: the names of some key parts as well as how to stay healthy. They talk about food and that some foods are healthier than others. They discuss the importance of sleep and what they can do to help themselves get to sleep. They talk about	In this Puzzle, children learn what it means to be healthy, exploring food, exercise, sleep and everyday choices that help their bodies and minds. They develop understanding of hygiene, germs and how to keep clean and safe at home. Across the six Pieces, children learn about	In this Puzzle, children learn about healthy eating, balanced diets and making healthier food choices, including nutritious foods. They explore how to keep safe at home and outside, learning to recognise risks and hazards, and how to respond

	Talk with others to solve conflicts Talk about their feelings in more elaborated ways: “I’m sad because...” Does the child take part in other pretend play with different roles? Building Relationships	hand washing and why it is important. The class also discuss safe adults and what they should do if approached by someone they don’t know. • I can name some parts of my body and understand that being active helps keep me healthy • I understand that moving my body and resting are both important for my health • I can talk about things I need to do to stay healthy • I know what “healthy” means and can begin to make healthy food choices • I know how to help myself go to sleep and understand why sleep is important • I can wash my hands and understand why this is important, especially before eating and after using the toilet • I know who my safe adults are and how to stay safe if they are not close by	medicine safety and road safety, practise recognising when they feel worried or unwell, and think about who can help them stay safe. They reflect on how healthy choices can make them feel good about themselves. I understand the difference between being healthy and unhealthy and know some ways to keep myself healthy • I know how to make healthy lifestyle choices • I know how to keep myself clean and healthy, and understand how germs cause disease/illness • I know that all household products including medicines can be harmful if not used properly • I understand how medicines can help me if I feel poorly and I know how to use them safely • I know how to keep safe when crossing the road, and about people who can help me to stay safe • I can tell you why I think my body is amazing and can identify some ways to keep it safe and healthy	when something feels unsafe. Across the six Pieces, children develop understanding of medicine safety and how to care for their bodies. They reflect on feelings linked to safety and practise making calm, responsible choices that support wellbeing. • I can sort foods into the correct food groups and know which foods my body needs to keep me healthy • I can make some healthy snacks and explain why they are good for my body and give me energy • I can recognise hazards in my home, including fire risks and hot things, and know how to reduce risks and keep myself safe • I can recognise risks and know how to keep safe around roads, railways, and water, and can explain why safety rules help protect me • I understand how medicines work in my body and how important it is to use them safely • I can explain how to keep
Summer 1 <u>Relationships</u>	Increasingly follow rules, understanding why they are important. Talk with others to solve conflicts Does the child take part in other pretend play with different roles?	Children are introduced to the key relationships in their lives. They learn about families and the different roles people can have in a family. They explore the friendships they have and what makes a good friend. They are introduced to simple strategies they can use to mend friendships. The children also practise Jigsaw’s Calm Me and how they can use this when feeling upset or angry. • I understand what a family is	In this Puzzle, children explore families, friendships and what it means to belong and help others feel included. They learn how to make friends, solve problems and when to seek help or support. Across the six lessons, children practise appropriate ways to greet others, learn who can help them in their school community, and reflect on how to ask for support when they feel upset. They also build confidence by	In this Puzzle, children explore different types of families and learn why cooperation and care are important in relationships. They develop understanding about safe and unsafe physical contact and practise expressing what feels comfortable to them. Across the six lessons, children learn how to manage friendship conflicts, recognise the difference between good and worrying secrets, and

	Begin to understand how others might be feeling	• I know that different people in a family have different responsibilities (jobs) • I understand some of the characteristics of healthy and safe friendships • I understand that friends sometimes fall out • I know some ways to mend a friendship • I understand that unkind words can never be taken back and they can hurt • I know how to use Jigsaw's Calm Me to help when feeling angry • I understand some reasons why others get angry	recognising their own qualities and learning how to praise themselves. • I can identify the members of my family and understand that there are lots of different types of families • I can identify what being a good friend means to me • I know appropriate ways of physical contact to greet my friends and know which ways I prefer • I know who can help me in my school community • I can recognise my qualities as a person and a friend • I can tell you why I appreciate someone who is special to me	identify trusted adults who can help them. They reflect on trust, honesty and appreciation in relationships. I can identify the members of my family, understand my relationship with each of them and know why it is important to share and cooperate • I understand that there are lots of forms of physical contact within a family and that some of this is acceptable and some is not • I can identify some of the things that cause conflict with my friends • I understand that sometimes it is good to keep a secret and sometimes it is not good to keep a secret • I recognise and appreciate people who can help me in my family, my school and my community • I can express my appreciation for the people in my special relationships
Summer 2 Changing Me	Increasingly follow rules, understanding why they are important. Help find solutions to conflicts Show more confidence in new social situations Become more outgoing with unfamiliar people, in the safe context of their setting	solidate the names and functions of some of the main parts of the body and discuss how these have changed. They learn that our bodies change in lots of different ways as we get older. Children understand that change can bring about positive and negative feelings, and that sharing these can help. They also consider the role that memories can have in managing change. I know the names and functions of some parts of the body • I understand that we grow from baby to adult	In this Puzzle, children learn about life cycles and the changes that happen as humans and animals grow. They reflect on how their own bodies have changed and develop understanding that everyone grows at different rates. Across the six Pieces, children learn the correct names for private body parts, explore how boys' and girls' bodies can be different, and practise respecting their own bodies and those of others. They also think about feelings linked to change, such as excitement and worry, and learn ways to cope. I am starting to understand the life cycles of animals and humans	In this Puzzle, children explore life cycles in nature and how humans grow from young to old, learning that some changes are outside their control. They reflect on how their own bodies and independence change over time and develop respect for differences in themselves and others. Across the six Pieces, children learn correct names for body parts, understand privacy, and practise being assertive about touch and personal boundaries. They also think about feelings linked to future change, such as excitement and worry, and learn ways to cope. I can recognise cycles of life in nature

		• I know who to talk to if I am feeling worried • I understand that sharing how I feel can help solve a problem or worry • I understand that remembering happy times can help us move on	• I can tell you some things about me that have changed and some things about me that have stayed the same • I can tell you how my body has changed since I was a baby • I can identify the parts of the body that make boys different to girls and can use the correct names for these: penis, testicles, vulva, anus • I understand that every time I learn something new, I change a little bit • I can tell you about changes that have happened in my life	• I can tell you about the natural process of growing from young to old and understand that this is not in my control • I can recognise how my body has changed since I was a baby and where I am on the continuum from young to old • I can recognise the physical differences between boys and girls, use the correct names for parts of the body (penis, anus, testicles, vagina, vulva) and appreciate that some parts of my body are private • I understand there are different types of touch and can tell you which ones I like and don't like • I can identify what I am looking forward to when I move to my next class
