Week 2
(see website for menus)

Reception Parents are invited to join their children for a fun filled 'Make and Take' session. The theme is **Nursery Rhymes** and will include learning some rhymes and making simple resources with your child to use at home. This is a lovely opportunity to see how far your child has come after just a few weeks of school and to share in their joy of learning.

"Experts in literacy and child development have discovered that if children know eight nursery rhymes by heart by the time they're four years old, they're usually among the best readers by the time they're eight." Mem Fox, from Reading Magic, a Champion of early childhood literacy.
Oct 13th, 14th and 15th— see dates opposite for you child's class session

Year One Parents and Carers are invited to join us for an informative session on how **Reading** is taught in KS1 and how you can support your child at home. The national Phonics Screening Check is taken towards the end of Year One and this session explains how we build towards this important benchmark, and most importantly how we strive to sustain a love of reading in every child.

Oct 6th at 9am and 2.30pm in the school hall

Coats4Kids

Please help yourself to the children sized coats on display in the school foyer. As winter arrives a spare coat could come in useful and they are free to all. Thank you to everyone who continues to donate coats their children have outgrown.

This week's Congratulations' go to...

Ash Class—Elijah, we are so proud of how you now come into Ash Class with your big smile. Your confidence is growing and you know our routines— you are also a super explorer in the classroom.

Elm Class—Hamza, you have really enjoyed phonics this week and are making great progress learning the sounds. Well done.

Oak Class—Kiya, for building your confidence to explore different areas of our classroom and for settling into our routines. It is lovely to see your smile when you share your learning with us.

Hazel Class—Noah, for being really brave at lunchtime and trying lots of new foods. We are also very proud of you for being so independent.

Holly Class — Maria, for your brilliant writing this week. You used capital letters at the start of your sentences and your handwriting looks fantastic. Well done

Willow Class— Logan, you are trying so hard to use your sounds to write words. You use the sound mat every morning to help you with the morning challenge. We are so proud of your resilience.

Hawthorn Class — Callie, for your historical conversations about the jobs and lives of Victorian children. You shared some fantastic ideas and clearly explained why you wouldn't have wanted to be a poor Victorian child.

Chestnut Class — Stevie, for your creative and artist flair, every picture you draw or paint is beautiful and well thought out. You enjoyed mixing primary colours to make secondary colours. Well done.

Sycamore Class— Aoife, you were a real artist this week. You mixed secondary colours from the primary colours and painted the colour wheel with great care.
