Week 3
(see website for menus)

Year One have been out and about enjoying a walk around our locality as part of their learning about our local area. They looked out for familiar landmarks such as nearby shops, Cofton Park and the famous MG factory.

Yesterday, Year Two led a Remembrance Service at St Stephen's Church with Year One as the audience. They shared their reflections and sang. Rev Chris was impressed at the respectful attitude shown by all our children and their understanding of peace as well as the care they had taken to create poppy wreaths and a formal church service.

We finished our week dressed in spots and stripes for Children in Need. Reception children enjoyed a surprise visit from Batman and Robin (aka Genie Cleaning who kindly donated to our fundraising).

Message from Mr Griffiths, Sports Coach-
All children need PE kits in school

Thank you!

This week's Congratulations' go to…

Ash Class – Violet, you have had a fantastic week all round. You have tried your very best in everything you have done. You created intricate and detailed Rangoli patterns inside and outdoors and have been a super sound spotter in phonics.
Elm Class- Harper, you have amazed us with your phonics and reading skills this week. It's a pleasure to hear you read.
Oak Class- Saanvi, you have blown us away with your reading and writing. You have been taking great care when writing to hear the sounds and form your "curly caterpillar" letters correctly.
Hazel Class- Louie, for making amazing progress in his phonics. We are very proud of you.
Holly Class- Cody, for impressing us in phonics this week. You have been applying the new sounds that you have learnt, and you are reading lots of words on sight. Well done.
Willow Class- Avina, for your artistic skills this week. You used a sketching pencil to create a value scale. You were able to control the pressure of the pencil to make light and dark tones.
Hawthorn Class- Ayaan, for amazing art work this week. You practised using a pencil to make darker or lighter tones and then used this to create a picture of a leaf. Amazing work.
Chestnut Class- Meera, you show such lovely kindness towards all of your friends and are always ready to help anyone who needs it. We are so lucky to have you in Chestnut Class.
Sycamore Class- Finley, you have been a super scientist this week. You listened and looked carefully and remembered the properties of glass, plastic and metal.

HAPPY BIRTHDAY!
