

The Rednal Rag

REDNAL HILL INFANT SCHOOL
Number 17 - 19th January 2018

DT Project

Over the next few weeks we are focussing on Design Technology and are challenging the children to design, make and evaluate something which links to their current topic and to other areas of the curriculum.

Year One are looking at transport and the history of car manufacture in Longbridge and will be making a variety of vehicles from a range of materials.

Year Two are visiting Warwick Castle as part of their work on "Massive and Mighty" and will then be building their own structures using a variety of materials.

Early Years are using story telling to learn the skill of attaching different materials and textures together. They will be challenging themselves to sew a stitch or two.

Thought of the Week

As part of developing our spiritual, moral, social and cultural curriculum across the school, we are having a thought for the week for us to discuss. This week, the thought of the week is 'Why do some people cheat?' Please talk to your child about the thought each week.

Year 2 Cake Sale—Wednesday 24th January

Next Wednesday year 2 will be holding a cake sale at 3.20pm in the school hall to raise funds for their trip to Warwick Castle. Year 2 are requested to bring in cakes on Wednesday morning for us to sell. All parents and children can come along to buy a cake.

CLASS ASSEMBLIES

Parents are invited to attend their child's Class Assembly. Assemblies will take place every Tuesday at 9.00am. Dates are below for this half term:
