Thank you to everyone who attended Parent Consultations this week. It was great to see so many families and to gather feedback via the online questionnaire and the “post-it challenge”.

Next week is **Sports Relief** and the children are looking forward taking part in a variety sporting challenges. We are going to finish the week by running/walking a full mile within the school grounds! Children (and staff!) will be supported to ensure this is a fun challenge which everyone can enjoy. **Children to come to school in sports clothes and trainers and pay £1 towards the Sports Relief charity.**

The Blue Cross Animal Man enthralled the children with a whole school assembly before spending the morning in Nursery. Ask your child what they learned from his visit.

Year One deserve a particular mention this week as staff reported superb behaviour during their trip to the cinema to see Paddington 2 as part of their work on London. The children had planned the route to walk to the cinema, discussed how to keep themselves safe and were real ambassadors for our school. Thank you, Year One!

Easter Egg and Bonnet Parade
 This year the children are being asked to either design and make an Easter bonnet or to decorate an egg (hard boiled, paper mache or plastic....) for our Easter Parade. We look forward to welcoming friends and family at 2pm on **Thursday 29th March** on to the school playground to share in our Easter fun.
