OUR SCHOOL VALUES

honesty, fairness, responsibility, respect, trust, resilience

You may have noticed our school values now clearly displayed on our hall wall. We are focussing on these values to develop strong young minds for our children. There are many important values but we have reduced them to these 6 to include many aspects in each.

This half term we are promoting **RESPECT** which includes using our manners and being thoughtful and considerate of other people's feelings. Assemblies and circle times will promote these messages. Any support you can offer at home to consolidate this will help your child's understanding of the importance of this important value.

Ideas to promote respect:-

- Say "Please" and "Thank-you."
- Say "Hello" and "Good morning."
- Open a door to let someone through.
- Think of others before ourselves.
- Say "Excuse me."
- Learn about other people's religious beliefs or lifestyles.
