Thank you to Ms Payne for a very informative whole school assembly on St George's Day. We learned all about St George and why he is remembered. Some lucky children were chosen to enjoy afternoon tea and others re-enacted the story of St George and the Dragon. The children also enjoyed thinking of all the things that make England special.

We have enjoyed hatching our spring chicks and they are now big and fluffy and ready to move to a larger enclosure. We have learned so much about lifecycles and being responsible for animals and their different needs- it has been a very worthwhile topic. Help.....Year Two are learning about "colour" over the next few weeks. As part of this work they are going to be trying lots of different art and design techniques. If there are any "arty" parents or graphic designers who would like to come and support the children's learning they would be very welcome.

**Tapestry.... Please remember to "like" any posts you read as this tells staff parents and families are accessing the system and haven't missed any important information. Thank you.**
