Welcome Back and Happy New Year to Everyone

Forest School Clothes

During the winter months it is important that all children have plenty of layers on during Forest School sessions. Please ensure your child has a warm sweatshirt, jogging bottoms, a t shirt and wellies with at least one pair of thick socks. School have recently purchased new fleeces to supplement the waterproof suits the children wear over their clothes. Forest School clothes are best left in school so they are readily available but if you would like to take them home regularly to wash and then send them back in before the next Forest School session you are very welcome to do so.

PE Kit

Please ensure your child has a PE kit in school. Although it is unlikely children will be outside for PE sessions during the cold months, on milder, sunny days they do venture out so please include trainers wherever possible.

Class Assemblies

Throughout this term each class will be holding their own Class Assemblies which parents are invited to attend. The aim is for the children to showcase their learning and give parents ideas for how they can support this. Please check the diary dates for upcoming assemblies. Year Two are starting the term off, then Year One and then Reception classes.

Recorders

Well done to Hawthorn Class who have completed a term of learning to play the recorder with Miss Hodgson. They will be demonstrating their recorder skills to parents within Hawthorn Class's assembly on 22nd January.

Extra Curricular clubs

Clubs start the week beginning 21st January. We are very pleased to have Mr Griffiths back with us following his absence due to a sporting injury. He is still having to take things slowly, and wont be doing much running around for a while, but its great to have him back.
