Number 30 – 10th May 2019

Lunch Menu Week 3

Thank you to **Year One** children and staff for planning and holding a very successful whole school “**Royal Tea Party**” or “**Baby Shower**” as part of their learning. There was a real air of anticipation around school on Friday as children tucked into a “royal” picnic lunch and then enjoyed a variety of games and activities outside. Bathing the royal baby dolls was very popular, as was hunting blindfold in a lucky dip for babies dummies!

Perfect timing as well with the arrival of Archie this week.

On Tuesday Miss Payne announced the second lot of lucky winners of the **Reading Challenge**. They will be choosing their own prizes during a visit to the city centre and exploring Peter’s Bookshop during this very special outing.

Thank you to all the families who took part in the challenge. It was so successful that Miss Payne extended the deadline to ensure no one missed out. We have all been so impressed with families’ determination to complete the entire challenge. Children have shown resilience, one of our school values.

PLEASE keep reading– reading is the key to accessing the curriculum and a key skill in life. Being a lifelong reader for pleasure is something we aim to encourage all our children to be. Thank you all for being so enthusiastic and for motivating your child to read for pleasure.

Reminder... please continue to support your child to practise their **weekly spellings**– the aim is to get the words into the **GREEN envelope!** They are sent home in your child’s book bag and are posted on Tapestry.

Reminder....

Year Two will be completing their **SATS** during the month of May. It is particularly important that your child is in school, on time every day. Year Two staff have planned lots of other learning opportunities around the statutory assessments to ensure the children continue to enjoy a broad and balanced curriculum. Thank you.

Persistent Absenteeism

Schools have a statutory requirement to monitor attendance and to take action if a child’s attendance does not improve. The national average for attendance is 96%. A child with attendance of below 90% is classed as a **PERSISTENT ABSENTEE** and as such school is required to follow formal monitoring procedures.. Please support us to ensure your child’s attendance remains at or above national average.
