Recalling and Using Knowledge
Challenge your child to explain something they have been learning about.....

Nursery– ask your child about **positional language** such as ‘under’, ‘over’, ‘between’, ‘next’, ‘to’, ‘in’, ‘front of’, ‘behind’, ‘in’, ‘out’ and ‘on’.

Reception– ask your child to help you **share quantities** to 20 into groups of 2, 5 and 10 using everyday objects from counters, toys, pebbles, coins, potatoes... anything that’s available.

Year One– Ask your child to explain **how chocolate is made** and where it comes from.

Year Two– Ask your child to be your ‘**time keeper**’ and get the to explain how to tell the time on an analogue and a digital clock?

Being able to recall learning and explain it to someone else is a really important, and quite tricky skill to master!

Thank you to Mrs Arrowsmith for an informative and thought provoking assembly on the **75th Anniversary of the D-Day Landings**. Mrs Arrowsmith used our school value of RESPECT to explain why we remember this unique event in history. A special visitor attended and brought the story to life and the children listened carefully and respectfully. We are working on our own commemoration in the form of a whole school art project around the sea.

NAG ON THE RAG
As our weather is unpredictable please can your child bring a coat to school every day. Reminder please ensure PE kits are in school.
