Lunch Menu Week 3

Year Two were a credit to school during their visit to **The National Space Centre**. It is a fantastic place, crammed full with exciting information and things to do. The children have already begun to use what they have learned. It was a great start to their learning around 'Space'.

MEDICAL

We have been alerted to several cases of verrucas, nits and worms in school. Please be mindful that these minor conditions, although very common, are very contagious. Treatment is readily available from the chemist.

Many thanks

Unicef UK Rights Respecting School Award

We are working with Unicef UK to achieve this important award. Our children will be learning about their own lives and those of children around the world. This is an exciting opportunity to improve awareness of children's rights and get involved in a great programme with thousands of other schools.

CLASS ASSEMBLIES

Well done to Chestnut Class who performed their assembly on Tuesday. They presented lots of information on their new enquiry "Space"

Next Tuesday 21 January Palm Class will perform their class assembly. All family members are welcome to come along at 9.00am in the school hall.

Future assemblies are:

Tuesday 28th January—Ash Class

Tuesday 4th February—Hawthorn Class

Tuesday 11th February—Willow Class
