

The Rednal Rag

REDNAL HILL INFANT SCHOOL
Number 21– 14th February 2020

Lunch Menu Week 1

A Successful Year on the Outdoor Track

It is almost a year since the launch of our outdoor track and it is now firmly established as part of school life. We are very proud of how the children access it so enthusiastically and independently. The track is used during lesson time to provide a 'brain break', to re-motivate children and refresh them within their learning. It is lovely to see the children running and eagerly counting laps as well as walking in the fresh air with their friends. At lunchtimes the track allows children more freedom and a chance to run off excess energy. During the winter months it has provided value extra space.

Did you know....?

Venus is the only planet in the solar system that rotates clockwise, whereas all other planets rotate anti-clock wise.

Fun Riddles

QUESTION What do you get if you milk a cow after an earthquake?
ANSWER Milk shake !!!

CLASS ASSEMBLIES

Well done to Willow Class who led their assembly on Tuesday. The quality of work and amount of knowledge the children were able was impressive, as was the pride they showed in their learning. More class assemblies will take place after half term, please see the newsletter for dates.

Well done Oliver!

Oliver in Chestnut Class has received a medal from Simone school's chess coach for achieving check-mate twice and completing a check mate pattern in under 30 seconds. Wow!

Diary Dates

Back to School—Monday 24th February
