Community Litter Pick Initiative

As we approach the end of term we have been taking pride in our environment by spring cleaning our school grounds and the perimeter of the school grounds. Each class is organising their own litter pick and choosing different areas on the site.

Some children in Year Two were selected to go to the Coppice Pub car park this morning to collect up the litter. Thank you to those very hard working and sensible children– you did a great job and showed real community spirit.

Easter Celebrations in School

To end the Spring term next **Thursday 1st April** due to Covid restrictions we will not be holding our traditional Easter bonnet parade instead each class will be holding an Easter egg hunt outside and we will hold a virtual Easter assembly.

Year 1 Dinosaur explorer dress up day

To end their dinosaur explorer investigation Year One are having a dress up day next **Wednesday 31st March** to celebrate being explorers.

School aged children are invited to join the Birmingham Holiday Activities Programme.
