Easter Celebrations in School

We ended the term with **Easter Egg hunts** in which children worked in teams to find clues hidden outside. They were rewarded with a Cadbury's cream egg and a special treat. We also held a whole school virtual **Easter assembly** and looked back at another unusual term. Thank you

to all of you for supporting the children to return to school routines. We look forward to welcoming you back for a full term, starting **Monday 19th April**. But, until then, **Happy Easter!**

Year 1 Dinosaur Explorer Day

To end their Dinosaur Explorer Enquiry Year One came to school dressed and ready to take on the role of an explorer. They have hunted for fossils, explored camouflage and written about where and what they would like to explore. Their enthusiasm and eagerness to learn has been a pleasure to see– a lovely end to an exciting and successful Enquiry! Thank you to all the parents and family members who helped the children to transform into Explorers for the day.

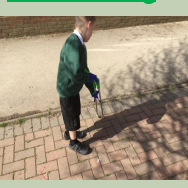

School Lunches

After Easter hot lunches, cooked on site will be available everyday. Lunches will still be served in classroom bubbles in line with current restrictions. A new two week menu is also on Tapestry. We begin with week 1, after Easter. If your child has been bringing sandwiches and would like to have hot dinners please let the school office know.

Litter Picking

We continued with our litter picking this week. The children really enjoyed taking part in improving their environment and the school site is looking clean and tidy. Thank you to all the children who have taken part.

**Have a lovely Easter Break;
see you on 19th April.**
