

The Rednal Rag

REDNAL HILL INFANT SCHOOL
Number 30– 16th July 2021

Thank you to everyone who took part in our Step Challenge with the Junior School to climb Mount Everest together.

Our school alone has raised an amazing **£3254.30** in order to buy a **defibrillator**. We are just waiting to hear how much the Junior School has raised– we will update you in the Autumn Term. We are so proud of all the effort the children put in both during the challenge and in terms of sponsorship. Thank you so much– this money will go towards purchasing something which will make all of lives that bit safer.

Well done Everyone.

For the assemblies outside on the school field, we are able to accommodate 2 members of each family. Additional children can attend if they are able to sit on an adult's lap. Despite the lifting of Covid-19 restrictions on 19th July, we are aware we continue to have a cluster of positive cases in school and need to be extremely careful not to increase the risk of more cases at the end of term.

This Week's Congratulations go to... Year Two

This week's congratulations is all about Year Two who are leaving us at the end of term to start the next part of their learning journey. They have been a fantastic year group and all of them have made us very proud from the minute they joined us on their first day of school right through to the end of Year Two. Despite the upheaval that Coronavirus brought to their final year at Rednal Hill Infant School, they have worked hard and continued to make good progress. They have remained cheerful and resilient to change and worked hard. Thank you to each and every one of them. We wish them all the best. Have a lovely summer break and good luck next year!
