This week in school and ideas to support learning at home...

Year Two have been learning about the countries that make up the United Kingdom and linking this to where we live. Ask your child about this or look at a map of the UK together.

Year One have been learning about the different parts of the human body and the functions of the main organs. Ask your child where their heart is and what it does.

Reception children have been practising their letter sounds. Check out Tapestry for challenges and a game to support your child's learning.

Nursery children have been learning nursery rhymes and enjoying singing them together. Challenge yourself to remember 'Heads, Shoulders, Knees and Toes' and sing it with your little one!
