This Week's Congratulations go to:

Year One
Palm Class — **Eshaal** for her beautiful independent writing this week. You remember what a good sentence needs and had excellent presentation power. Keep it up. **Theo-Jacob** for his super phonics this week. You were segmenting and blending words independently. You are a super star.
Hazel Class— **Evie** for completing her history timeline so beautifully with Mrs Ingram and **Diego** for his brilliant attitude towards his writing and his super sentences!
Willow Class— **Alfie** you created a fantastic model of a boat. You used the sound mats to help you label your model and write a sentence. **Lara** fantastic maths Lara. You could explain how to use objects to show how many when using a tens frame. You knew one less than 10 was 9 because when a tens frame if full it is 10 and one less than 10 is 9.

Year Two
Chestnut Class— **Oliver** has made a fantastic start to year two. He has an enthusiasm for learning that is admirable and **Khloe** who tries hard in everything we do she is a pleasure.
Hawthorn Class— **Myla** you worked so carefully and diligently in writing this week. She thought carefully about what she needed to write a question and **Abbie** your maths work is fantastic. You work really well independently and always listens and learns. You are a very mature girl.
Sycamore Class— **Kaidan** for continued effort in class. He is really showing how he can keep on trying even when he doesn't find things easy straight away. **Elijah** for settling in well to our class, welcome to Sycamore. He has also done some super maths when we worked on tens and ones.
