Weekend Challenges on Tapestry check online for details

Nursery and Reception have been working hard on their Nativity, learning songs, practising using big, clear voices and having lots of fun along the way. Their challenge is for each child to **make a star** which they can bring into school to make the backdrop for the sky above Bethlehem and the Nativity scene.

Year One have been learning about shapes this week and are being asked to go on a shape hunt at home or when they are out and about this week. Can you **spot 3D shapes** all around you? Can you name them?

Year Two Can you carry on with your diary entries but your challenge is to also describe what our wild weekend weather is doing?
