This week's 'Congratulations' go to...

Ash Class - **Rex** you have amazed us with your attention to detail when creating pictures and models. You always return to your work to add to it, make it 'even better' and to practise new skills.

Elm Class - **Erin** you have had a great week all round. You are trying hard in all that you do and are working so hard on your presentation power. Well done.

Oak Class - **Zachary** you have been working so hard during phonics and this really shows in your reading, so well done.

Palm Class - **Shanvi** for her amazing art work this week. She followed Ms Payne's panda video and created a realistic and carefully thought out painting.

Hazel Class - **Esme** for your concentration you showed closely matching your car design to your model.

Willow Class - **Mehnoor** you made a fantastic start making your car model. You selected the boxes you would need to make a police car and took care when covering and attaching the parts together. Well done.

Chestnut Class - **Jenson** has been persevering with his maths, he is working hard to be an independent mathematician. Jenson is using Mathematical vocabulary to reason around his ideas. Fantastic Jenson. Keep it up.

Hawthorn Class - **Ronnie** you have been an amazing instructor and designer by helping your friends to create their own Piccollage about space.

Sycamore Class - **Jackson** you are a great role model for our class. I like the way you always try your best to improve your work. Thank you.

Well done to everyone!
