

Comments from Parent Questionnaire 2020

- ❖ Overall we are very happy with the school but would love to see more on Tapestry
- ❖ We are very happy with Rednal Hill Infant school as my son has been so happy and learnt a lot in the short time he has been there
- ❖ We can't fault anything with this school. My daughter is very happy, learning loads. Mum & Dad think this is a fantastic school.
- ❖ My daughter has settled in so well to Rednal Hill. She has learnt so much in her short time of being there. We totally understand how busy the teaching staff are but it would be nice to see more of her work on Tapestry as we cannot go into the classroom at the moment. We love how well she is getting on at school and had good relationships with the staff. We cannot thank all the team enough for their continued hard work and support throughout this difficult time.
- ❖ My daughter is thriving at school in year one, she is learning so much whilst having lots of fun with her friends. I feel that she is very supported in her learning. I cannot wait to see how she progresses.
- ❖ My son loves coming to school and his teachers. They are fantastic!
- ❖ My daughter loves to attend school and enjoys telling me about all the things she learns. I have never had any worries or concerns, in fact the complete opposite. Thank you.
- ❖ Rednal Hill is a very good school, fantastic teachers. Very efficient, attentive to both children and parents' needs.
- ❖ The transition this year has been particularly well managed. My son feels safe and secure at school despite additional covid measures.
- ❖ Overall very pleased with how my son has settled into school. He loves it which makes us all very happy.
- ❖ My daughter is doing so well, she really enjoys going and always tells me she does something different every day. It is lovely.
- ❖ Tapestry seems to have become more of a general tool to relay information not about each individual child. When it is about my child there is often no explanation of the photo or a brief one word.

- ❖ I am impressed with how much my son has grown since starting school. I can see the difference in his attitude towards his school, work and his behaviour. He speaks highly of his teachers.
- ❖ So happy that my son is doing so well in school. I am very proud when mentioning to others that he attends here.
- ❖ Cannot think of a single aspect of how the school has managed and dealt with covid that could be improved! He has always been so very happy at school.
- ❖ My son joined nursery a few weeks behind everyone else but has been made so welcome and has progressed amazingly well! He adores nursery and his teachers and talks about everything he does. I Love Tapestry and being able to see him within the nursery setting.
- ❖ My son says he enjoys school, school is excellent.
- ❖ My son really loves school, he is learning a lot and he is putting into practice everything learnt at school, for example: he keeps looking for letters everywhere and makes that sound. Thank you ever so much.
- ❖ It is a very nurturing caring school. Isla is very happy there, loves her teachers, learning and discovering new things. Would highly recommend this school to others.
- ❖ Both nursery and reception have been brilliant so far. My son loves it and is sad on the weekends when school is closed.
- ❖ I'm very happy and very satisfied with my daughter's progress. Thank you
- ❖ My son has thrived since becoming part of Rednal Hill. We are so proud of how serious he takes his learning and the support the school has given him.
