**REDNAL HILL INFANT SCHOOL**  
Number 22 – 11th March 2022

## Knowledge Prompts

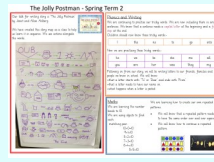

Today your child will be bringing home the 'Knowledge Prompt' sheet for their current Enquiry topic. These sheets are packed with information about what your child is currently learning in areas such as History, Science and Geography and the connections that are made to the rest of the curriculum. As a parent they are a useful way of joining in with your child's learning and providing a link between your child's experiences at home and the work they do in school. Pin them up somewhere visible and use them to start off conversations about learning – as the learning journey progresses you may be impressed with how much your child can tell you about a subject!

## This week's 'Congratulations' go to...

**Ash Class** – Olivia you are always so positive and join in enthusiastically with everything that we do in school. It is having a really big impact on your learning. Well done.

**Elm Class** – Tyrell for working together so well with your friends this week. You listened to their ideas and shared yours too. Well done.

**Oak Class** – Logan-Lee you have impressed me with your reading this week, you showed enthusiasm and did not give up when challenged.

**Palm Class** – Nicholas for always being a kind friend to everyone. You look out for all your friends and have such a caring attitude.

**Hazel Class** – Maisie-Mai, you have tried hard to learn the new signs that Mrs Miller has taught us this week. You have been ready to help teach others too. Thank you.

**Willow Class** – Marshall you have made all the right choices and have been a kind friend to everyone in Willow Class. We are all proud of you. Keep it up.

**Chestnut Class** – Amiah has worked hard to improve her writing both in school and at home. Her writing is beautifully presented and coherent. You should be very proud Amiah, we are.

**Hawthorn Class** – Evy-Beau you are a Geographer! You remembered all four countries of the UK with their capital cities AND you were able to draw and correctly colour the four flags from memory.

**Sycamore Class** – Ella-Rae you have overcome some tricky emotions this week; and have also pushed yourself to try new things.

**Well done to everyone!**
