# The Rednal Rag

REDNAL HILL INFANT SCHOOL Number 26 – 8th April 2022

### Easter EGGstravaganza

Thank you for the huge amount of effort that went into making our EGGxibition a real success. The creativity and thought that both children and parents put in has blown us away. Every one was unique and added to the overall display. It was a lovely way to end the term.

### Easter Yoga

Yoga helps children manage their anxiety. The breathing exercises and relaxation techniques calm children.

Yoga boosts children's self-esteem. Perfecting a pose or improving their balance and flexibility can give young children a sense of personal empowerment.

Yoga increases children's body awareness and mindfulness. Going through a variety of yoga poses helps children learn about their bodies and the movements they are capable of doing.

Yoga enhances children's concentration and memory. The different types of moves require children to focus and work on their memorisation skills Yoga develops children's strength and flexibility. Yoga helps strengthen children's growing bodies and helps them improve their flexibility, which can reduce their chance of injury.

Yoga teaches discipline and reduces impulsivity. Yoga can reduce challenging behaviours in the classroom by providing a physical outlet for children to express themselves.

Community Defibrillator-We have some lovely news to end the term Following on from our sponsored Everest Step Climb and purchasing a defibrillator for our school, we have ordered a community one which will installed outside St Stephen's Church. A local electrician on hearing this has offered to install it for free. Thank you very much to Jordan Thompson from Molland Plus Electrical Limited.

### Covid Vaccines for 5-11 Year Olds

The NHS has announced they will start vaccinating children aged 5-11. Invites will be sent out over the next few weeks to let parents and guardians know they can now book in for a vaccine. Please see attached letter.

The nearest vaccination centre to school is Artrix in Bromsgrove.

Children aged 5
to 11 are now
eligible for the
COVID-19 vaccine.

### Ready, Steady, Read....

As part of our Marvellous Month of Books we are running a sponsored read with Usborne books, starting today, 8th April and finishing on 29th April. Usborne books have committed to donating money to our sponsors read on a sliding scale—the more money we raise, the more Usborne will add to our total! All the money raised will be used to buy new books for the school. Look out for sponsor forms which have been sent home today to launch the challenge. Please share your reading experiences on Tapestry.
