What is Subitising?

Subitising is when you are able to look at a group of objects and realise how many there are without counting. This only works with small groups of numbers, as we only subitise up to 5 things. It was first introduced by a Swiss psychologist called PIAGET.

Types of Subitising

Perceptual Subitising: This is the ability to recognise the number of objects in front of you without using any mathematical process—it's instinctive.

Conceptual Subitising: This is where you are able to recognise a number by grouping it into small sets. For example, if you are shown a line of 6 black dots, it's likely you will automatically group these into 2 groups of 3, and then know there are 6 in total without counting each time.

Jack Hartmann has made some really good videos for Maths on YouTube

<https://youtu.be/IAQzHTqTl2w>

Another good website with some great free resources for parents.....

Key Dates for your Diary

WORLD CUP FOOTBALL DAY 21st Nov– Sports Clothes for Chocolate donation.

Year 1 Trip to Lickey Hills—Tuesday 22nd Nov

Hawthorn Class Gurdwara visit—Wednesday 23rd Nov

Year 2 Trip to Lickey Hills—Thursday 24th Nov

Flu Immunisations—Monday 28th Nov

Ash Class & Full Time Nursery Nativity —Wednesday 7th December 2.00pm

Elm Class & AM Nursery Nativity —Thurs 8th Dec 9.30am

Oak Class & PM Nursery Nativity —Thurs 8th Dec 2.00pm

Christmas Jumper Day—Friday 9th December

Christmas Fayre—Wednesday 14th December

Christmas Dinner Day - Friday 16th December

CHRISTMAS FAYRE PLANNING

Christmas is approaching fast and we are preparing our festive events in school.

Nursery and Reception are beginning to rehearse their Nativity shows and Years 1 and 2 and practicing their Christmas songs ready for singing at St Stephen's Church during the Christmas OAP lunch and school carols.

We would be grateful for any donations of teddy bears, unwanted gift bags, toys, books, games.

This is the perfect time to declutter!

Remember a donation of chocolate on Monday in exchange for wearing sports clothes.

This week's 'Congratulations' go to...

Ash Class – **Alfie** you have shown a really positive attitude to your learning. You have been so focussed on each challenge that you do and often spend a very long time tweaking and returning to your work to make it the best that it can be. You made a fantastic house using the small bricks and ensured that each of the walls were balanced and secure. Well done.

Elm Class– **Jahmiah** for his fabulous ideas when travelling in different ways in PE this week. You used different body parts when travelling across the benches and inspired others to do the same. Well done.

Oak Class – **Kylan** for coming into school every morning and practicing his letter formations. The improvement is amazing in his presentation and pencil grip.

Holly Class – **Corey** for your amazing maths this week. You have been solving subtraction number sentences using a tens frame and a number line. Well done.

Hazel Class – **Sam**, you have amazed us with your maths this week. Your enthusiasm has shone and you have enjoyed sharing your mathematical explanations! You are a maths WIZZ.

Willow Class – **Lilly B** for wonderful development in maths. Your confidence has grown so much, well done.

Chestnut Class – **Thea**, you were so engaged during our trip to the Gurdwara, she asked and answered questions thoughtfully with respect. She remembered what we had learned when back in school. Thank you Thea.

Hawthorn Class – **Harry**, for his excellent behaviour at our church remembrance service. He showed respect and responsibility and really enjoyed taking part in the service.

Sycamore Class – **Hareem** you were a great ambassador for our school on the trip to the Gurdwara. You listened well and showed respect, thank you.

Well done to everyone!

HAPPY BIRTHDAY!

18th November 2022 to 25th November 2022

Noah in Little Acorns will be 4

Jessica in Hazel will be 6

Ayva and Isla in Hawthorn will be 7

Evie in Sycamore will be 7
