## This week's 'Congratulations' go to...

**Ash Class – Abigail** for all of your hard work with your reading at writing at home. You put in so much effort to practise your blending and writing your name and it is lovely to see how much your confidence is growing because of it. Well done.

**Elm Class— Roman** for being an animal expert this week and sharing all your knowledge about foxes. You gave us lots of information and were really confident when talking to the class. Well done.

**Oak Class – Olivia** for being so confident and proactive with her friendships and learning. You are a pleasure to have in Oak class.

**Holly Class — Paris** for her creativity in DT this week. Paris used many different skills to create a car out of junk modelling. She thought carefully about each part.

**Hazel Class – Rohan**, for being a super scientist. You were really engaged in our investigation and you wowed us with your knowledge of herbivores, carnivores and omnivores.

**Willow Class — Logan**, you worked independently on place value to 20 in maths. You matched numbers to amounts found one more and one less and could say how many tens and ones are in a given number. Well done.

**Chestnut Class —Ada** has become an independent writer and persevered to improve her writing stamina. She thinks thoughtfully about what she is going to write and uses the resources in the classroom to help her. Well done, Ada.

**Hawthorn Class –Isla W** for always trying her best in all subjects. She takes responsibility for herself and her behaviour and is always a thoughtful girl.

**Sycamore Class - Khaira**, you carefully drew a detailed map of forest school with a key to tell people what the different parts are.

**Well done, Everyone!**
