REDNAL HILL INFANT SCHOOL Issue 22 –3rd March 2023
'Be the very best you can be'

**Next week Lunch Menu
is Week 2**

We have enjoyed a wonderful week in school, celebrating **READING**. The week began with the **Masked Reader Assembly**—ask your child who was behind the masks.

Lots of stories have been shared during the week and children visited other classes for story time.

On Thursday children and staff enjoyed dressing up in their pyjamas or book characters for **World Book Day**. Thank you for all your support in making the day such fun.

Top Tip for busy parents from Mrs Drinkwater...

Cbeebies has a bank of excellent bedtime stories which can be accessed via iplayer or BBC Sounds at anytime. A great way to enjoy a story with your children when you are too tired to read, or need a fresh bank of stories.

Class Assemblies

The whole school enjoyed another entertaining and informative assembly, this week's was led by **Oak Class**. The children used clear, confident voices and worked as a team to show us how they learn phonics, use 'disco dough' to strengthen their fingers for writing and get themselves ready for PE. Their artwork showcased their creative side as well as their cutting skills. We look forward to **Sycamore Class** assembly on **Monday 6th March** and **Hawthorn Class** on **Wednesday 8th March**.

This week's 'Congratulations' go to...

Ash Class – Alexa-May, we have been so impressed with the models you have been building in the construction area. You think so carefully about the details you would like to add and create fun stories and games when playing with them.
Elm Class—Noah, for putting 100% into everything you do. You have become so independent and are always willing to have a go at anything, even if you find it a bit tricky to start with. Well done.
Oak Class—Kylan, for being so brave and performing in our assembly even though it is something that you find tricky. We are all so very proud of you Kylan.
Holly Class — Arabella, for your super world book day character writing. You thought carefully about your clues and remembered your punctuation. Well done.
Hazel Class – Freya, you have worked extremely hard in maths this week. You were able to explain your mathematical thinking when exploring tens and ones with numbers to 50. It has been wonderful to see your enthusiasm shine.
Willow Class – Isla-Louise, you have settled so well into Willow class and you are making lots of new friends. You have shown all of our school values and we are so proud to have you in our class.
Chestnut Class —Mehnoor has impressed us all with her independent writing this week. She wrote a fantastic recount of our World Book Day assembly.
Hawthorn Class – Shania, this week she has been an excellent mathematician. She has been using her understanding of addition to begin to multiply and is able to show her working out, using clear presentation power.
Sycamore Class – Jenson was incredibly enthusiastic when retrieving what he'd learned during our Space Enquiry. He recalled an incredible amount of facts.

Well done everyone!

HAPPY BIRTHDAY!
