## This week's 'Congratulations' go to...

**Ash Class – Amelia**, you have had a fantastic week. You particularly impressed us with your reasoning in Maths. You compared the different 2D shapes and noticed when they had been rotated.

**Elm Class—Lashay**, for being such a kind, caring and responsible friend to everyone. We can always count on you to help others and you are a great role model for everyone. Thank you.

**Oak Class—Madison**, you are always so determined and self directed. You have a wonderful strong sense of yourself and you always know what you want to achieve. You do all this, independently and we are very proud of you.

**Holly Class —Sophia**, for your brilliant maths this week. You have been partitioning 2-digit numbers and representing your work using the part- part whole model. Well done.

**Hazel Class – Alice**, you demonstrated a brilliant understanding of tens and ones this week. You are beginning to partition 2-digit numbers and record your ideas. Well done.

**Willow Class — Lily**, we were impressed with your concentration and skill you demonstrated whilst completing your artwork in the style of 'Tinga Tinga'

**Chestnut Class —Ilham** has impressed us all with her determined attitude towards all of her work, she tries her best in all we do and is always ready for a challenge.

**Hawthorn Class – Oscar** for always listening to instructions and following carefully. He is always sitting nicely and ready to learn.

**Sycamore Class - L'Ryah**, you have shown such a mature attitude this week. You have caught up on some reading quizzes without a fuss and done your best.
