Easter Celebration in School

Following the success of last year's 'eggsbition' we are once again inviting parents and families to join us in school to celebrate your children's Easter creations.

*The challenge is to **create an Easter bonnet** or to **decorate an Easter egg**, at home. Be as creative as you like, large or small, using any materials you have to hand.*

Please bring your creations into school by Wednesday 29th March in order for us to create our exhibition for Thursday 30th March.

Parents are invited to enter via the classroom doors where you will be guided around the exhibition by your child/children.

Raffle tickets will be on sale to win an **Easter hamper**.

Model Rednal –Invite for Year 1 families

As part of their Enquiry on the local area, Year 1 have been busy designing houses, vehicles and road signs for the finale to their learning. We **welcome Year 1 parents** in school to view their Model Rednal hard work on Tuesday 28th March in the school hall from 3pm.

Class Assemblies—Thank you to **Willow Class** for their excellent assembly this week. They spoke beautifully and shared so much of their learning— from music to art and DT, through to writing and science. They showed real pride in their achievements. We look forward to **Elm Class** assembly on **Wed 22nd March**.

Request for socks

We would be grateful for any donations of children's socks in school. Please pass to the school office or your class teacher. Thank you

This week's 'Congratulations' go to...

Ash Class—Isabelle, for being such an enthusiastic scientist throughout the week. You have thought carefully about what you think will happen during each experiment and have accurately explained what you observed.

Elm Class—Greyson, you have had a fantastic week this week and particularly impressed us with your maths skills and knowing whether numbers are odd or even. Well done.

Oak Class—Brooklyn—John for showing confidence and enthusiasm in all areas of his learning. We are so proud of how resilient you have become.

Hilly Class—Charlie, for your brilliant maths this week, you were using the tens and ones to find one more and one less than a 2-digit number. Well done.

Hazel Class—Jude, we have all been amazed with your enthusiasm when designing and making your own vehicle using junk modelling. You showed great skill and determination when adding the finer details to your model. It was an amazing vehicle. Well done.

Willow Class—Leo, for demonstrating resilience this week when attaching different parts to your car model. Keep going.

Chestnut Class—Samira, we are so lucky to have had Samira join us in Chestnut Class. She is a determined and resilient learner across the curriculum as well as being a kind friend to all. Thank you, Samira.

Hawthorn Class—Eli, for trying his best in all areas of the curriculum. Even when something is tricky he is resilient and carries on.

Sycamore Class—Zander, you have impressed us with your writing skills. You have worked hard to make it coherent, neat and interesting.

Well done everyone!
