

The Rednal Rag

REDNAL HILL INFANT SCHOOL Issue 27 –21st April 2023
'Be the very best you can be'

**Next week Lunch Menu
is Week 3**

WEEKEND CHALLENGE

Every Friday children are set a challenge to complete at home. This is posted on our online learning journal, Tapestry, and on the school website. Each child also takes home a paper copy. Alongside reading at home, these challenges are a form of 'homework' which parents can engage with to support children's learning. Completed challenges are shared in class. Every challenge that is completed earns your child a raffle ticket. The more raffle tickets a child has in the raffle jar, the more chances they have of winning a treat at the end of each half term. If you have any difficulties logging on to Tapestry app please call the school office on 0121 453 2636.

Dates to look forward to...

Tuesday 25th April—Whole class photos
Tuesday 25th April—Year 2 SATs Information Session for parents. 9.00am and 2.45pm

 Ajay from Oak Class
 Abigail from Ash Class
 Isabel from Hazel Class

UK Emergency Alert—Sunday 23rd April 3pm

Women's Aid have issued advice on How to Stay Safe during the UK Emergency Alert warning this Sunday.

For iPhone

To opt out, search your settings for 'emergency alerts' and turn off 'Severe alerts' and 'Emergency alerts.' If this does not work, contact your device manufacturer.

For Android

To opt out, search your settings for 'emergency alerts' and turn off 'Severe alerts' and 'Emergency alerts'. On some devices, search your settings for 'emergency alerts' and turn off 'Extreme threats', 'Severe threats' and 'Show amber alerts'.

This week's 'Congratulations' go to...

Ash Class—Alfie, your mathematical thinking this week has been impressive. You now know the double of each number up to 5 and know different ways to find the double of higher numbers. You have also represented your work and explained your thinking confidently. Well done.

Elm Class—Blake, you created an inspirational 3D model of a football pitch using tabs. You then helped other children to make models using tabs too. Well done.

Oak Class—Jaxon, we are so proud of you. You are still new to school and you are trying so hard in all areas of our classroom, making friends and new experiences.

Holly Class—Lewis, for your super science this week. You named and identified the materials used to build Buckingham Palace and you could discuss the properties of each material. Well done.

Hazel Class—Evelyn, you have impressed us with your determination and 'have a go' attitude whilst exploring and making equal groups in maths. It has been wonderful to see you smiling and being so proud of yourself. Well done

Willow Class—Amélie P for your super writing this week. You were able to recount our assembly about the Royal Family. You are remembering to say your sentence before writing it down, and using conjunctions too. Well done.

Chestnut Class—Aidan, Mrs Kempson and I are really impressed with Aidan's Maths this week. He has worked hard to find fractions, challenging himself to work independently.

Hawthorn Class—Edith, has excelled in Maths this week. Her reasoning and understanding of fractions has been second to none.

Sycamore Class—Isa has written a lovely letter this week. She is using her phonics to try to sound out words and her handwriting is really improving.

Well done everyone!

HAPPY BIRTHDAY!

21st March 2023 to 27th April 2023

Sarah in Little Acorns will be 4
 Caleb in Hazel will be 6

Brooklyn-John in Oak will be 5
 Jaya and Noah in Willow will be 6
