REDNAL HILL INFANT SCHOOL Issue 28 –28th April 2023
'Be the very best you can be'

Next week Lunch Menu
is Week 1

Summer Term Knowledge Prompts

Every class has now sent home a paper copy of their current learning. Electronic copies can be found on Tapestry and the school website. These knowledge prompts help parents and carers to share in children's learning and are a great way to start discussions at home. Try putting them up on your fridge at home where you can refer back to them over the next few weeks.

Nursery

Reception

Year 1

Year 2

Dates to look forward to...

Monday 10th July—Year 2 Production 2.00pm
Tuesday 11th July—Year 2 Production 9.30am
Wednesday 12th July—Year 2 Production 6.00pm

Local Area Walk

This week all 3 Reception classes went on a local area walk. The children were very excited to post their carefully written postcards in the post box a few blocks away from school. They are now eagerly awaiting the postman's delivery to their home addresses. The children were a credit to the school, following instructions and showing resilience and responsibility. They were also, quite rightly, very proud of their writing.

St. Stephen's Church
Food Pantry, open Sundays
11.15-11.45 a.m. and Thursdays
10.00-12 noon.

The pantry operates through donations from church members and the local community and its purpose, therefore, is to offer a weekly 'top up' to families rather than a full food bank service.

All will be made welcome.
No referral required.

Nag on The Rag... please be respectful towards our neighbours when driving and walking to and from school. We have received complaints from residents around noise, damage to property and access to driveways. Our children know RESPECT is a key school value.

This week's 'Congratulations' go to...

Ash Class - Daniel, you have made fantastic progress with your reading. You always put in so much effort at home, as well as in school, and it has helped you to become a confident and fluent reader. Well done.

Holly Class - Bodhi, you are becoming more independent when using your 'now and next' timetable and have settled well into lunchtimes. We are very proud of you.

Oak Class - McKenzie, you amaze us with your number knowledge- you are becoming a super mathematician. This will be so useful in everyday life.

Holly Class - Isaac, for your excellent writing during our Enquiry. You predicted what might happen at each of the London Landmarks. Well done.

Hazel Class - Isobel, you demonstrated our school values of trust and respect this week. Whilst at forest school, you helped and encouraged other children to use the mallets to hit in the stakes and create a wonderful model of Buckingham Palace.

Willow Class - Jaya, for her lovely work in Design & Technology. Whilst designing her tile of a London landmark Jaya observed carefully and tried hard to add as much detail as possible using line and texture to recreate The Gherkin. Well done.

Chestnut Class - Kiara and Nancy, worked together to design and build a lighthouse this week. They worked together as a team and created an effective model.

Hawthorn Class - Tristan, for marvellous phonics work and comprehension this week. He is showing a much greater understanding of what he is reading and answering questions around the text.

Sycamore Class - Grace always displays many of our school values but this week in particular she has shone. She has shown resilience when building her lighthouse, responsibility as a trustworthy member of the class and her level of engagement levels have been fantastic - her hand is always up.

Well done everyone!

HAPPY BIRTHDAY!

28th April 2023 to 4th May 2023

Benji in Oak will be 5

Yasmeen in Sycamore will be 7

Isla in Ash will be 5

Evelyn in Holly will be 6

Kylo in Chestnut will be 7
