Everyone has Rights

As part of our work towards achieving our Rights Respecting School Silver Award we have been learning that rights are something all children are entitled to and which should not be taken away.

We shared the story of Ryan Hreljac, a Canadian boy who aged 6, was shocked to discover many children across the world do not have easy access to clean water. He was inspired to fund raise to install a well in Angola to supply a village with fresh drinking water and 20 years on he now runs a global charity providing wells across the developing world.

We also discussed what things we *NEED* and what things we *WANT*— ask your child whether a computer game, clean water, chocolate or shelter are NEEDS or WANTS.

This may prove to be an interesting discussion!

See this week's Weekend Challenge which is also on rights.

Dates to look forward to...

Elm Class—**Harrison**, for showing confidence and enthusiasm in all areas of learning. We are so proud of you and the progress you are making. Well done.

Oak Class—**Brooke**, you have grown in confidence and become a reliable member of our class. You always have an eager attitude to share your ideas and understanding during group discussions.

Hazel Class – **Kaylen**, in music this week, you were able to play a three noted piece of music. You were able to explain which note had the highest and lowest pitch. You performed your music confidently to the rest of the class. Well done.

Willow Class —**Jake**, for your responsible attitude during enquiry this week. You found facts about King Charles III and created a detailed portrait. You were so proud to share your achievements with your teachers.

Chestnut Class —**Lily** demonstrates all of our school values all of the time. She can be relied upon to make the right choices even when we're not looking. Well done.

Hawthorn Class – **Poppy**, for her resilience when working. She has shown real effort and maturity in her attitude towards her work and has produced some lovely results.
