REDNAL HILL INFANT SCHOOL Issue 33 –9th June 2023
'Be the very best you can be'

Next week Lunch Menu is Week 3

Miss Sheppard will be retiring from school at the end of this term. She has been teaching at Rednal Hill for 23 Years in total and plans to spend her retirement in her allotment and enjoying her crafting– but she has promised to keep in touch and will continue to work the occasional day if we ask her nicely! **Miss Sheppard has been a valued member of our team and a much loved member of staff. We wish her a very happy retirement.**

School Internet Issues

Our internet to the school has been down all week. Despite an awful lot of effort and new parts, it is proving very tricky to solve. This has had a huge impact in school and affected telephone lines, emails and classroom whiteboards as well as online register systems. Teachers have been unable to access Tapestry in school, so please bear with us if you have posted learning on Tapestry we will respond shortly and share your child's half term adventures in class as soon as we are able to. Paper copies of this newsletter and the whole school weekend challenge will be sent out as usual.

Cake Sale in aid of Down Syndrome UK

Ethan, from Sycamore Class, and his sister Ava, who attends the Junior School are organising a cake sale to raise money for Down Syndrome UK. It will take place on Friday 16th June at 3.20pm at the Dower Road and Edgewood Road entrances. Please come along and buy a cake to support this worthy cause.

RIGHTS RESPECTING SCHOOLS

We are continuing to learn about 'rights' and teachers have been impressed with the questions children are asking about the 'super six' rights we are focussing on. This week we learned about the **right to an education** and linked this to jobs and careers– see the Weekend Challenge.

This week's 'Congratulations' go to...

Ash Class – Elsie, you have worked exceptionally hard on your letter formation and handwriting. You also included finger spaces, full stops and capital letters in your writing independently this week. Well done.

Bm Class – Greyson, you showed great ball skills this week when controlling a ball with your feet. You concentrated really hard to control the ball when dribbling it around the cones. Well done.

Oak Class – Mila, we are so proud of you Mila. You have come back after our half-term holiday with a real determination to improve your handwriting. You are showing our school value of resilience. Well done Mila.

Holly Class – Corey, for your amazing attitude towards all of your learning this week. You have been a super mathematician, finding 1 more and 1 less than a numbers to 100. Well done.

Hazel Class – Riley, you impressed everyone during the Warwickshire Cricket teaching session. You found it a little bit tricky in the beginning, but you were a wonderful role model to others as demonstrated great resilience throughout the whole session. Well done.

Willow Class – Bella, your teachers have been impressed with your positive and resilient attitude towards your learning. You found adding the suffix ing to words a bit tricky this week, but you thought carefully about what to do, didn't give up, and completed the task to the best of your ability. We are really proud of you.

Chestnut Class – Marshall has had a positive start to our last half term in year two. We are really proud of how responsible and kind he has been this week.

Hawthorn Class – Riley for trying his very best in writing. This week he has been making sure he finishes every task.

Sycamore Class – Keva, over the last two weeks Keva has been very interested in the birds nesting in her garden. She has shared pictures on Tapestry of the baby birds hatching.
