Next week Lunch Menu
Week 2
(see website for menus)

We hope you all had a lovely summer break. The first week has flown by and the children have settled into new classes and school routines incredibly well.

We are proud of them all!

Over the summer break we have invested in our Year One outdoor areas and this work is nearing completion. We now have an additional outdoor learning area for Willow and Holly Class and have replaced the grass in Hazel Class's outdoor area with slabs to make the whole area more accessible.

A Great Start

97% attendance on Day One

Thank you for a great start to the term— attendance and punctuality has been impressive and it has been wonderful to see so many smiling faces as the children settle into their new classes.

Our whole school attendance target is 96% or higher so our challenge is to keep up this good work as the term progresses.

The children look so smart in their uniform— despite the hot weather. Thank you for adhering to our uniform policy.

Tapestry Challenge!

Every week your teachers send home a 'Tapestry Challenge'. This is something for you to do at home and either bring back into school or share with us on Tapestry.

For every challenge you complete, you will get a raffle ticket to put in the jar. At the end of the half term, there will be a 'Tapestry Challenge Raffle'. The more tickets you have in the jar - the more chances you have to win the prize. Good Luck!

Please contact the school office or ask your class teacher if you do not have access to Tapestry.

PE and Forest School

Children need PE kit, trainers and Forest School kit in school- we do not have sufficient spares so please support us with this.

Allergies

We are a 'nut-free school'.

In order to keep children with a nut-allergy safe, our kitchen does not use nuts in their recipes. If your child brings a packed lunch from home please support us to keep everyone safe by making sure there are no nuts/peanut based food in your child's lunchbox.

Thank you very much

HAPPY BIRTHDAY!
