Harvest Festival

Thank you to everyone who donated items of food for our Harvest collection this year in aid of St Stephen's Church Food Bank who help support local families. You have all shown real generosity. Mrs Whitten and Father Steve from St Stephen's church led our whole school Harvest Service in school this morning. We learned about the link between Harvest and Christianity and the broader themes of thankfulness and helping others. The children sang beautifully and listened appreciatively to our visitors in school.
