Measles/MMR Update

Measles cases have been confirmed locally in Birmingham. Measles outbreaks can happen when not enough children have been vaccinated. The MMR vaccination is the best way to protect against measles as it is effective, safe and free of charge. Further information on the MMR vaccine can be found on the NHS website:

Ash Class – Sarah, you're always full of enthusiasm for everything that we do. You join in during all of our carpet sessions and tackle every challenge with a smile. Well done.

Elm Class – India, you have been a fantastic role model this week when rehearsing our Nativity. You performed all the songs and actions fantastically and it has been wonderful to watch you shine on the stage. Well done.

Oak Class – Charlie, you always make the right choices and are somebody we can rely on all the time.
